PETITION TO REVIVE
UNINTENTIONALLY ABANDONED
APPLICATION
UNDER 37 C.F.R. § 1.137(b)

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants petition the Commissioner to revive the instant application under 37 C.F.R. § 1.137(b) due to unintentional abandonment. The application was unintentionally abandoned for failure to submit a response to the Advisory Action mailed October 30, 2002. The undersigned attorney discovered the error after a voice mail message left by Examiner Shamim Ahmed, reminding us that January 1, 2003 was the final date for response.

The required reply to the office action is a Request for Continued Examination (RCE), requesting that the Amendment Under 37 CFR 1.116 previously filed October 10, 2002 be entered by the examiner. It is respectfully requested that this amendment now be entered.
